Dear Sir:

STAT

I wish to express my personal appreciation for permitting

STAT

[redacted] to participate in our Guest Speaker Program.

The conference covered subject areas of great interest to those in attendance and provided an understanding of fields in which we may be of assistance to you, now and in the future. In addition, it provided an insight to mutual missions and how, with an understanding of one another's requirements, we in the United States Army Security Agency can assist in fulfilling these missions.

We also appreciated the manner in which questions were invited and answered. There was no hesitation when questions were directed to the panel; they were answered most directly and to the point.

On behalf of the student officers and my staff and faculty, I want to thank you and your speaker team for this most outstanding presentation.

Sincerely,

MARSHALL W. FRAME
